ACE also provides specialty-packaging services to create that unique, yet cost effective look. Use Sales Code XRAYT online when ordering to receive sales discount. Cannot be used in conjunction with other special offers or pricing. Valid through December 2009.

Extended Description: (284 words)

ACE is the premiere packaging specialist of innovative storage solutions for optical discs. Our goal is to deliver premium packaging without breaking your budget. ACE Packaging offers a simple design created to prevent tampering and protect disc(s).

Offerings includes the Slim and Classic Case – holding a single optical disc in both 7mm and 15mm formats; the Duo – holding 2, 3 or 4 discs PLUS standard DVD Booklet in a 15mm spine case; the Multi– holding 1, 2 or 3 discs in a 15mm spine case; the Portfolio– capable of holding 4 to 10 discs with a 25mm spine case, the Library– capable of holding 4 to 12 discs in a 30mm spine case, and the Folio – capable of holding from a single to fifteen (15) SLEEVED discs plus standard DVD booklet in a 43mm nested format. Other formats include the EnviroPAK, ACE’s eco-friendly packaging line. Upcoming items include the ACE Book, a DVD binder capable of holding 2 to 8 discs in a 25mm spine with molded pages to hold your discs and tamper-proof interlocking design.

ACE also offers a complete line of standard packaging solutions such as the CD Poly, Standard CD jewel case and tray inserts for 1 to 8 discs configurations as well as specialty packaging services to create that unique, cost effective package. If it’s custom packaging that you are after ACE can do that as well. We can design, manufacture, and manage your new and upcoming packaging requirements with ease.

Visit us at www.ace-cases.com. See the multitude of packaging solutions for your special project. Use Sales Code XRAYT online when ordering to receive sales discount. Cannot be used in conjunction with other special offers or pricing. Valid through December 2009.
